Partnership Services Subscriptions, which include higher support and related services, are available to partner organizations. Please inquire.

\$150 per subscription

- Subscriptions are refillable within the 12 month subscription period.
- Prices are offered only to nonprofit organizations, communities and schools.
- Prices are based on quantities purchased and paid at a point in time.
- All subscriptions begin and end on the same initiation and expiration dates.
- Renewal subscriptions initiate at the expiration date of renewed subscriptions.
- Schools, districts, communities, and affiliated nonprofit organizations are eligible for the institutional price. * Institutional discount prices require subscription coverage of all students, members, residents, or participants plus related faculty/staff/tutors. Tutor.com not included in Institutional prices, but may be added for an additional fee. Quantity and price are based on documented enrollment or population. These prices support the social objective of universal learning access for a defined group.
